

Different Careers, One Institution

Bettina Bair, Dr Fusun Ozguner, Dr Rebecca Andre, Ms Eva Bradshaw

A degree in computing can open many doors. This panel will feature women who, although they all work for the same institution, have leveraged their technical skills into success in very different careers. Some of the possibilities include research, teaching, enterprise, administration and technology support. Each panelist will present a brief overview of the choices that led to her current position, and answer questions from the audience.

Panelists:

Ms. Bettina Bair
Senior Lecturer
Dept of Computer Science and Engineering

Ms. Eva Bradshaw
CIO
College of Education and Human Ecology

Dr. Rebecca Andre'
eLearning Manager
Technology Enhanced Learning and Research (TELR)

Dr. Fusun Ozguner
Professor and former Chair
Dept. of Electrical and Computer Engineering.
