

**Assignment #0: Mug Shots**

**DUE:** Friday March 30, by email.

---

Send me an email (`paolo at cse`) with a jpg attachment containing a picture of yourself. Please make sure the attachment satisfies all of the following requirements:

1. The picture should be head-only (or head-and-shoulders) so that you are easily recognizable.
2. The filename of the jpg attachment should be your last name (all caps) with extension jpg (lower case). For example, my picture would be contained in an attached file named SIVILOTTI.jpg.
3. The image should be 150 pixels (wide) by 180 pixels (high). You can use tools such as gqview to resize or crop images to these dimensions.

These pictures will *not* be posted to the web, they will be used only for my personal reference to help me learn your names.

If you do not already have an electronic version of a picture, you can use the scanner in the SOC Lab for this purpose.
